Cumulative Score: 97.4%

ADMINISTRATIVE REVIEW SUMMARY

Strengths: ASAP has a strong director who encompasses experience and education to help lead their prevention efforts. The policies and procedures manual are organized and up to date with current Administrative Rules. The coalition collaborates with several community partnerships and is well known in the area. The coalition has a large and active membership with a supportive board of directors. The board of directors meets more than quarterly and encourages the director to attend and host trainings. Alliance for Substance Abuse Prevention utilizes billboards for advertisement throughout Rapid City which helps their message reach a large amount of individuals.

Recommendations:

1. Alliance for Substance Abuse Prevention, Inc. has a policy regarding a change in agency director, however; does not include contacting the Division of Behavioral Health when any change takes place. The agency shall reference ARSD 67:61:02:20 and update the policy to contact the DBH.

Plan of Correction:

The following area will require a plan of correction to address the rule of non-compliance which shall include an updated policy and/or procedure, a time frame for implementation of this procedure, the staff position or title responsible for implementation and the staff position or title responsible for ensuring continued compliance of these rules.

1. The agency is not completing pre and post tests on all prevention presentations being given in the community. According to ARSD 67:61:11:08 pre-and post-tests for all evidence based curricula are required after being presented to individuals.
